WELCOME FROM THE MAYOR OF WELLINGTON

Kia ora!

Welcome to Wellington, New Zealand's capital city and host of the 2015 New Zealand Communities Football Cup. This tournament is a great way for people to bond over their mutual love of football, connect with a variety of diverse communities and be active.

Over the course of the year, community-based teams compete to represent their region in the finals. The capital has hosted this event for the past three years, and last year's tournament brought over 340 passionate football players to Wellington from all over the country. This shows the importance of our ratepayers' investment in sports fields.

Wellington is home to many diverse cultures. Approximately a third of the city's population are born overseas. Events in the capital such as this tournament, the Pasifika festival, Diwali and many others are a great way to celebrate and appreciate diversity.

Play your best games, meet as many new people as you can and have a great time here in Wellington. Be sure to make time to check out some of our world-class eateries, coffee spots, museums, nature hikes or historic sites. Wellington is ready for your exploration!

Have a great tournament. Ngā mihi mahana kia kotou katoa.

Celia Wade-Brown
Mayor of Wellington

WELCOME FROM THE NEW ZEALAND POLICE

Tena koutou katoa

The New Zealand Police are very proud to present the seventh national New Zealand Communities Football Cup tournament. A warm welcome is extended to the teams and the people proudly supporting them. You have showcased your talents and proven you are worthy to compete for the title of the country's top community football team.

Globally, football provides a common playing field for people to connect - regardless of where they are from, their ethnicity or social status. Police established the tournament for this very reason and are proud that it won the Sport and Leisure category of the Wellington Airport Regional Community Awards 2015. This tournament is an effective vehicle for creating positive influence amongst ethnic communities and key stakeholders and it enables Police to connect with diverse communities.

Police acknowledge that we need to communicate effectively with all communities to break down perceptions and educate communities on family violence. We want people to be safe and feel safe. This tournament gives ongoing support to the White Ribbon campaign by providing an opportunity for the players and fans to pledge their support to speak out against harm resulting from family violence.

Police are also acutely aware that to achieve the goal of safer communities together, we need people from diverse backgrounds to join our organisation. Finally, we would like to sincerely acknowledge all those who have made this tournament a success particularly the hosts, sponsors and supporters. All the very best for New Zealand Communities Football Cup 2015. Kia kaha, Kia maia, Kia manawanui.

MESSAGE FROM THE RACE RELATIONS COMMISSIONER

Welcome to this year's New Zealand Communities Football Cup

We live in one of the most ethnically diverse nations on the planet – and Aotearoa New Zealand is also one of the most peaceful. We also live in a nation that loves sport and culture and the NZ Communities Football Cup is the perfect way to celebrate both of these Kiwi passions.

One of our top female athletes is a young Korean Kiwi, one of our top All Blacks is a Samoan Kiwi who is also Muslim. Our parliament looks more like the people it represents than ever before and three political party leaders are Maori New Zealanders. There is no nation on earth quite like ours and what's great is that we are getting better at embracing and celebrating our diversity and uniqueness.

This tournament symbolises diversity in action with communities taking part in more than 1,000 games across New Zealand throughout the year. The event continues to support the aims of the White Ribbon campaign by allowing all those involved to take an active stance against violence in the community by taking the White Ribbon pledge.

We are proud to work alongside the NZ Police as well as all New Zealanders playing and supporting this year's NZ Communities Football Cup.

Nga mihi

Dame Susan Devoy

Race Relations Commissioner

MESSAGE FROM THE MINISTER FOR ETHNIC COMMUNITIES

Namaste, Jambo, Ni Hao, As-salamu alaykum, Tena koutou katoa and Talofa lava

As Minister for Ethnic Communities, I am delighted to welcome you all to the 2015 New Zealand Communities Football Cup. This tournament is a wonderful celebration of New Zealand's diverse communities.

Football is one of the most popular sports in the world and its popularity in New Zealand continues to grow. The number of ethnic football tournaments held throughout New Zealand at the regional and national levels is testament to the growth of football in New Zealand.

As Minister for Ethnic Communities, I am particularly interested in utilising football and other sports to increase social connectedness and build a sense of belonging for all people in New Zealand. Nelson Mandela said "Sports has the power to change the world. The power to inspire, the power to unite people in a way little else can".

By bringing people together, the New Zealand Communities Football Cup fosters the chance for people to connect with others, and build friendships through a little bit of friendly competition. I wish the organisers, teams, players and supporters the best of luck for the tournament.

Hon Peseta Sam Lotu-liga
Minister for Ethnic Communities

MESSAGE FROM THE CEO NZ FOOTBALL

On behalf of New Zealand Football, I extend a very warm welcome to the players, supporters and officials involved in the 2015 New Zealand Communities Football Cup (NZCFC) tournament.

From grassroots right through to our senior national teams and at every level in between, you will find people from a wide variety of cultural and ethnic backgrounds taking the pitch together; sharing their love of the game.

With players from a range of ethnicities and countries taking part in this tournament, it's a direct reflection of the multi-cultural nature of our society while the event itself is built on a series of partnerships of a number of organisations including local councils, New Zealand Police, sponsors and community groups.

Every aspect of this event; from the competing teams to the logistics and organisation is a reminder of the power and positive impact which comes from collaboration around a good, common cause. I thank the organisers of this excellent event and applaud the dedicated volunteers involved in delivering a great tournament.

It is excellent to see the NZCFC supporting White Ribbon, a cause with meaningful and positive anti-violence messaging. It's a campaign New Zealand Football are fully behind and we hope you will add your support as well.

On behalf of the thousands of fellow football lovers throughout the country, I wish everyone involved the best for what I'm certain will be a fantastic event. Play hard but play fair in the spirit which has brought you together for this tournament.

Andy Martin
Chief Executive
New Zealand Football

MESSAGE FROM THE CEO UNICEF

Kia ora tatou,

Thank you for participating in this fantastic football event that UNICEF are once again proud to be involved with. It is exciting to see so many young people coming together to participate in this occasion and I would like to acknowledge the power of football bringing so many of us together in such a positive way.

This tournament brings together a diverse community with a focus on the wellbeing of our children here in Aotearoa, and bringing about positive change in our communities. The New Zealand Football Communities Cup aligns well with the United Nations Convention, as it celebrates the rich and diverse communities that make up New Zealand and brings us all together in the spirit of play.

Play, in all its forms, is the right of every child. Safe and inclusive play and sport are tools for improving children's lives. Sport contributes to healthy child development; it builds self-esteem and life skills. Sport can mobilize communities; foster peace and tolerance; and teach important life lessons about respect, cooperation and leadership. Above all, play and sport helps all children, even the poorest and most marginalized, to have fun and enjoy their childhood! Through play children explore, invent and create. They also develop social skills, learn to express their emotions, communicate with other children and adults, and gain confidence about their own capabilities.

I wish you all the very best and that you have fun and enjoy this week ends events.

Vivian Maidaborn
Chief Executive
UNICEF

MESSAGE FROM THE CHAIR OF WHITE RIBBON

It is a privilege to support this wonderful tournament.

This football event reflects everything that is so good about contemporary New Zealand life – increasing diversity – an emphasis on sport and instilling the values of friendly competition. White Ribbon is very proud to be associated with this event. Our campaign is about asking men to accept the challenge of reducing family violence in New Zealand and building respectful relationships in the family. The campaign also acknowledges the enormous problem of family violence in New Zealand is caused by men. There is a place for being assertive and physical, and to do so within well-defined rules of activities such as sport. This tournament illustrates the point and I congratulate each and every player who commits to these values.

In the home and elsewhere, we have yet to learn what the proper boundaries of conduct are. It is positive events such as this that make us even more aware of the issues we face and of the need to change.

I wish you every success in this year's tournament.

Judge Peter Boshier

Chair White Ribbon Advisory Committee

TOURNAMENT HISTORY

The New Zealand Communities Football Cup (NZCFC) was established by New Zealand Police to contribute practically towards our vision of 'Safer Communities Together' and provide an opportunity for positive community interaction. It connects football to positive social change by supporting the White Ribbon campaign where men from all communities pledge to never commit, condone or remain silent on violence against women.

NZCFC is a national tournament for the regional winners of community football events held over the past 12 months. This tournament is the culmination of more than 1,000 games of local-level football organised by city councils and regional multicultural councils. The inaugural NZCFC event was held in 2008 and hosted by Wellington city. It was won by the Upper Hutt based Somali team. Since then, it has been won by:

- Oman (Palmerston North),
- Poland (Christchurch),
- Somalia (Wellington) and
- Refugee Youth Action Network (Auckland)
- and by Somalia (Wellington) most recently.

In 2010 a youth forum was added to the tournament. The forum brings youth together to celebrate their love of football and gives them the opportunity to learn new skills and address issues that are important to them.

The tournament's robust framework supports the official tournament branding, website and media campaign. Police have a vision to see the tournament grow and expand. We would like to continue utilising football and sport in general to drive positive social outcomes within New Zealand and throughout the Pacific.

Such events are not possible without a number of organisations coming together and providing the support necessary to deliver a wonderful celebration of community and football.
