Statistics New Zealand

The resident population estimates were obtained by updating census usually resident population counts at 6 March 2001, for births, deaths and net migration of residents during the period 7 March 2001 to the given date. The base population has also been adjusted for the number of residents undercounted by the census, as measured by the 2001 Post-enumeration Survey, and for the estimated number of residents temporarily overseas.

YEAR (ended 30 June)	POPULATION
