Oops! You forgot to ask Mum if you could go to your friends after school	Someone pushed you over in the sandpit	You didn't tell an adult when you were sad.	You frightened someone else
Someone touched you in a way you didn't like and you forgot to say 'No"	You took a treat someone offered without asking Mum	The teacher asked why you were scared and you didn't say	You told someone about a happy surprise
Someone told you a bad secret and you didn't know what to do	You laughed at someone and made them feel sad	You told someone on the computer your name and where you live	When someone you didn't know rang up you said you were home on your own
You kicked someone sitting in front of you on the mat	The babysitter made you watch a rude movie	Someone tried to trick you	Someone hit you and told you to keep it a secret
You pulled someone's hair	You couldn't say your name and address	You pushed in front of someone in the line	You didn't walk away when someone you didn't know stopped you in the street
Dad told you to go straight home but you went to the park	You took a short cut	You scared someone	You lent your scooter to someone you didn't trust
Oh no! You kept a bad secret	You forgot to walk tall	You told your big sister you didn't want to walk home with her	Someone offered you a lolly if you got into their car
You opened the door for someone you didn't know	You went with someone to help find their puppy when no-one at home knew	You said stop and walked away but you didn't tell anyone	You touched someone in a way they didn't like
You couldn't say something you were good at	You didn't tell the teacher when you needed help
