

HOW ARE POLICE PERFORMING? KEY INDICATORS

See at a glance how we are performing throughout New Zealand on the key services we deliver to the community.

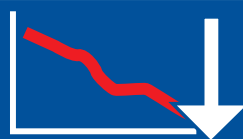

INCREASED foot patrols

Foot patrols per 10,000 people

District	Year to 31 Dec 2013	Target 140
Tasman	334	↑
Eastern	299	↑
Wellington	290	↑
Waikato	266	↑
Canterbury	260	↑
Central	252	↑
Northland	240	↑
Auckland City	232	↑
Counties-Manukau	220	↑
Southern	212	↑
Bay of Plenty	189	↑
Waitematā	126	↓
New Zealand	234	↑

The target is 140 Foot Patrols per 10,000 People. Foot Patrols give Police visibility in the community, act as a crime deterrent, and enable Police to understand community problems and concerns.

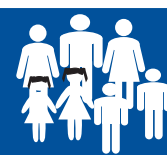

LESS crime

% reduction in recorded offences

District	Year to 31 Dec 2013	Reduction
Auckland	-10%	↑
Wellington	-10%	↑
Bay of Plenty	-7%	↑
Southern	-7%	↑
Tasman	-6%	↑
Canterbury	-6%	↑
Counties/Manukau	-1%	↑
Waikato	-1%	↑
Waitematā	0%	-
Northland	2%	↓
Eastern	2%	↓
Central	3%	↓
New Zealand	-4%	↑

Police are working towards medium term crime reduction targets driven by the Prevention First Strategy (13% reduction against 2008/09) and commitment to Better Public Services (June 2011 to June 2017; 15% reduction in overall crime, 20% reduction in violent crime, 25% reduction in youth crime rate).

FEWER victims

% change in the number of victims of crime

District	Year to 31 Dec 2013	Target -5%
Bay of Plenty	-7%	↑
Waitematā	-7%	↑
Wellington	-6%	↑
Auckland	-5%	↑
Canterbury	-5%	↑
Waikato	-4%	↑
Tasman	-3%	↑
Northland	0%	-
Counties/Manukau	1%	↓
Southern	1%	↓
Central	5%	↓
Eastern	10%	↓
New Zealand	-2%	↑

The target is a 5% reduction in the number of victims of crime compared with the previous year. More Police resources are going into prevention to lift prevention focused resources from 14% to 18%.

Public feeling SAFER

% of people feeling safe in their
neighbourhood during the day

District	Year to 31 Dec 2013	Target 92%
Tasman	96%	↑
Southern	96%	↑
Canterbury	95%	↑
Central	94%	↑
Wellington	94%	↑
Auckland City	93%	↑
Waikato	93%	↑
Waitematā	92%	↑
Eastern	92%	↑
Northland	91%	↓
Bay of Plenty	91%	↓
Counties-Manukau	86%	↓
New Zealand	93%	↑

The target is 92% of respondents or higher indicating that they feel either *very safe* or *safe* in their neighbourhood during the day. Public feelings of safety improve community wellbeing.

GREATER TRUST in Police

% of people who trust and have confidence in Police

District	Year to 31 Dec 2013	Target 78%
Tasman	85%	↑
Canterbury	83%	↑
Wellington	81%	↑
Southern	81%	↑
Waitematā	80%	↑
Auckland City	79%	↑
Bay of Plenty	78%	↑
Central	78%	↑
Waikato	77%	↓
Eastern	76%	↓
Counties-Manukau	73%	↓
Northland	72%	↓
New Zealand	79%	↑

The target is 78% or more of survey respondents indicate *full* or *quite a lot* of trust and confidence in NZ Police.

FEWER serious crashes

Crash-related hospitalisations of more than one day

District	Year to 30 Sep 2013	Reduction
Southern	-15%	↑
Wellington	-12%	↑
Eastern	-4%	↑
Waikato	-3%	↑
Central	6%	↓
Auckland Region	8%	↓
Tasman	9%	↓
Bay of Plenty	10%	↓
Canterbury	17%	↓
Northland	28%	↓
New Zealand	5%	↓

The percentage change in the number of hospitalisations of longer than one day as a result of traffic crashes compared to the previous year. This measure is driven by the Safer Journeys strategy in partnership with: the Ministry of Transport, NZ Transport Agency, ACC, and local government. Auckland Metro includes Waitematā, Auckland City and Counties-Manukau Districts. Hospitalisation data is not available for these individual Police Districts.

PROMPT response

% of resolved crimes within 30 days
where the victim is a person

District	Year to 31 Dec 2013	Target 90%
Tasman	89%	↓
Northland	89%	↓
Counties-Manukau	88%	↓
Eastern	88%	↓
Southern	87%	↓
Bay of Plenty	87%	↓
Canterbury	87%	↓
Waitematā	85%	↓
Wellington	85%	↓
Waikato	84%	↓
Auckland City	84%	↓
Central	83%	↓
New Zealand	86%	↓

Resolved offences where the victim is a person, the target is 90% or higher resolved within 30 days of the offence being recorded by Police. Resolving offences in a prompt and efficient manner supports victims.
