MESSAGE OF WELCOME FROM BOB PARKER, MAYOR OF CHRISTCHURCH

It's a pleasure to welcome competitors and supporters to the New Zealand Communities Cup which is to be held on Saturday, 27 November at QEII Park Recreation and Sport Centre. It's wonderful to have all the regional winners of the ethnic football tournaments around the country in Christchurch to take part in this event.

You'll find Christchurch is very friendly and relaxing. I hope that while you are here you will be able to take the time to enjoy some of the wonderful attractions our city has to offer.

Christchurch is a fabulous Garden City with tree lined streets and colourful gardens, acres of parks and green space. The city centre is compact and very easy to get around. From art galleries to the city's Cultural Precinct, weekend markets, to museums, there is a tempting morsel of Christchurch's unique culture at every turn. The Central City offers an abundance of restaurants, cafés and shops for you to explore.

At the International Antarctic Centre visitors can watch Little Blue Penguins housed in New Zealand's first combined indoor/outdoor penguin viewing area and experience the blast of -18c in an Antarctic storm. If you have time, take an hour's drive to the historic French harbour settlement of Akaroa where you can enjoy the local cuisine or take a trip on the harbour and view the dolphins.

My very best wishes for a successful competition.

WARM ETHNIC GREETINGS FROM THE NEW ZEALAND POLICE

Howard Broad
Police Commissioner

The New Zealand Police are proud to present the third national ethnic soccer tournament, the New Zealand Communities Football Cup, here in Christchurch.

A warm welcome to the 8 teams, and their supporters, who have come from around New Zealand to compete for the title of the country's top community football team. Greetings also to the local adults and junior teams that will be participating in a mini local tournament alongside the national tournament.

Police developed an ethnic strategy in 2005 which increased our capability to effectively respond to the needs of ethnic peoples.

Globally, football provides a common playing field for people to connect - regardless of where they are from, their ethnicity and status. For this very reason, police established the tournament with the inaugural event taking place in Wellington in 2008.

**Superintendent
Wallace Haumaha**
*National Manager Maori,
Pacific and Ethnic Services*

The inaugural event was an effective vehicle for raising the profile of police and providing an opportunity for positive interaction amongst ethnic communities and key stakeholders. This year's events will support the White Ribbon Day campaign and provide an opportunity for the players and fans to pledge their support to speak out against Family Violence.

We continually seek those from diverse ethnic backgrounds who are interested in joining the police - and there'll be police staff handing out information over the weekend.

Finally, we would like to sincerely acknowledge all those who have made this tournament a success, particularly Oceania Football Confederation and Cuesports as well the co-hosts and co-event organisers, Christchurch City Council, and Canterbury Fiji Soccer Association.

All the very best for the 2010 New Zealand Communities Football Cup.

Kia kaha, Kia maia, Kia manawanui.

WELCOME FROM OCEANIA FOOTBALL CONFEDERATION

It is with great pleasure that I welcome you on behalf of OFC to the New Zealand Communities Cup, a fantastic tournament that brings together the best ethnic football teams from around the country.

OFC has teamed up with the Cuesports Foundation to support this year's competition and is proud to be associated with an event of such cultural and ethnic diversity.

OFC is the governing body that controls the world game in the Pacific region, an area notable for its wide range of cultures and ethnicities. There are 11 countries under the OFC umbrella and each is wonderfully unique in terms of the customs of its people and cultural make-up.

These nations are regularly brought together by OFC for football tournaments and other cultural exchanges. It is therefore fitting that we should be involved in another event that seeks to do the same.

It is always fascinating and rewarding when different cultures come together and I know the lives of everyone taking part in this tournament will be greatly enriched by the experience. Football provides the perfect platform for people from all walks of life to be brought together and OFC places great importance on using the sport as a tool for social development.

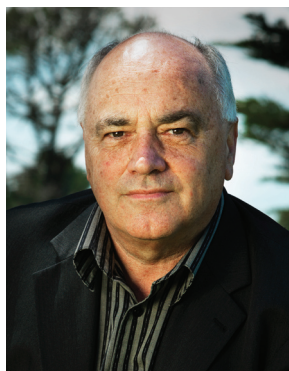

I would like to wish good luck to all the teams involved in the Communities Cup and I trust that each match will be played in the spirit of fair play.

I would also like to thank all those who have made this tournament possible, namely the New Zealand Police, Cuesports, Christchurch City Council and Canterbury Fifi Soccer Association.

Yours in football

Tai Nicholas

WELCOME FROM JORIS DE BRES, RACE RELATIONS COMMISSIONER

KIA ORA: It's my pleasure to welcome you to the 2010 New Zealand Communities Cup in Christchurch.

It's great to see teams from different parts of New Zealand representing different communities with their origins in Europe, Africa, Asia and Oceania.

Sport is a good way of meeting people of different cultures, and offers opportunities to everyone to participate equally in a shared activity in friendship and competition.

This tournament has grown out of the initiatives of local multicultural councils, sports organisations, local government and many other groups and sponsors and the New Zealand Police to promote ethnic sports competitions in a "Global Festival environment". Every year the number of such competitions and participants increases. The most recent addition is the one that has taken place in Tauranga just this month. The national tournament is an extra incentive to take part.

My congratulations to all the teams that have won their local competitions and qualified for the national finals. I'm sure the competition will be fierce and that your distinct identities will add an extra edge to your encounters.

In the end however, this is a celebration of our common identity as New Zealanders as well as our diverse cultures and heritage. Sport helps to bring us together as a global family and provides opportunities to excel as well as to enjoy.

I acknowledge the support given by the New Zealand Police, Oceania Football Confederation, Cuesports, Christchurch City Council and the Canterbury Fiji Soccer Association to make this event a reality.

The preceding forum on refugee and migrant youth and sport is another positive initiative. Barriers to participation in sport need to be broken down, and sport needs to be free from racial discrimination. "Fair play" and "Give Racism the Red Card" are important campaigns organised by international sporting bodies (s organisations). This forum and this competition support those international campaigns.

I offer my best wishes for a successful tournament.

KIA KAHIA!

TOURNAMENT HISTORY

The New Zealand Communities Football Cup event is the national tournament for the winners of ethnic or multi-cultural regional football events held around the country over the past 12 months. Regional ethnic football events have been held by local councils and ethnic organisations for some years.

The inaugural NZCFC event was held in 2008 and hosted by Wellington city. It was won by the Upper Hutt based Somali team. Their 2-1 win was a fiercely fought out battle with the Polish team from Christchurch.

Police have a vision to see the tournament grow and expand in time into the Pacific. Long term, there is a desire to utilise football to help drive positive social change.

The New Zealand Police owned event was established to raise the profile of police and provide an opportunity for positive interaction amongst ethnic communities.

2010 NZCFC EVENT

Christchurch plays host to the third annual New Zealand Communities Football Cup (NZCFC) on Saturday 27 and Sunday 28 November 2010. This year's tournament will also include a Youth Forum on Friday 26 November that will address barriers for youth from refugee and migrant backgrounds successfully engaging in sport and recreation in Canterbury.

A local football tournament will also run parallel to the NZCFC consisting of adults and children's football teams.

A total of 8 teams will compete in this year's event, from Christchurch, Nelson, Upper Hutt, Wellington, and the West Coast with players of Irish, Polish, Italian, Somali, Fijian and Afghani descent.

WHITE RIBBON DAY CAMPAIGN

The White Ribbon is a sign of the campaign led by men from around the world who oppose violence against women and are committed to not remaining silent about this violence. This year's White Ribbon Day is on 25 November. White Ribbon Day provides an opportunity for men from all communities to speak out against violence. Wearing a white ribbon is a personal pledge to never commit, condone or remain silent about violence against women.

The NZ Communities Football Cup is proud to support the White Ribbon Day campaign. During the tournament all players will wear a White Ribbon to pledge their support towards the goals of the campaign.

Violence in any form is not acceptable; to break the cycle we need to work together to make our homes safe. We need the community to help us do this and by doing the right thing by reporting family violence and spreading the word that it's not okay.

The first step to take is not being afraid to ask for help.

If you know someone who is a victim of family violence or someone who is committing family violence please contact your local Police station or contact the CrimeStoppers hotline anonymously on 0800 555 111

For further assistance:

- Shine 'Safe Homes in NZ everyday' offers a free helpline 0508 744 633 which provides information for victims of family violence and to those worried about a friend or family member who might be experiencing family violence.
