Welcome from the Wellington City Mayor

Welcome to the New Zealand Communities Football Cup 2014

Wellington City Council is a proud financial sponsor of this event. We are happy to work with the NZ Police and support the use of football as a driver of social change.

Wellington hosted the inaugural New Zealand Communities Football Cup in 2008. Our local Somalian team from Upper Hutt won that tournament and took out the title again in 2011 in Auckland.

Wellington is a compact cosmopolitan city and is the perfect host for teams from across New Zealand. We welcome teams representing New Zealand, Somalia, Brazil, Burundi, Colombia, Assyria, Poland, Fiji, Zimbabwe, Afghanistan and the UK.

Wellington is a smart walkable harbour city, and Island Bay is one of its most beautiful suburbs. You can find superb coffee, delicious food and art galleries all within easy walking distance.

Island Bay is short bus ride away from the central city where you will find even more to do. Activities include walking along our beautiful harbour, visiting Te Papa, New Zealand's National Museum or enjoying food from dozens of different cultures including Africa, Asia and the Middle East.

I wish all the teams, supporters, fans and organisers the best of luck.

I look forward to joining you for this absolutely positive event.

Celia Wade-Brown
Mayor

Welcome from the New Zealand Police

Tena koutou katoa

The New Zealand Police are proud to present the sixth national New Zealand Communities Football Cup, here in Wellington.

A warm welcome to all teams, and their supporters, who have come from around New Zealand to compete for the title of the country's top community football team.

Globally, football provides a common playing field for people to connect regardless of where they are from, their ethnicity or social status. For this very reason, police established the tournament with the inaugural event taking place in Wellington in 2008. This tournament is an effective vehicle for providing opportunity for positive interaction amongst ethnic communities and key stakeholders and it enables Police to connect with diverse communities.

Police acknowledge that in order to breakdown perceptions and educate communities on family violence that we need to communicate effectively with all communities. We want people to be safe and feel safe and again this tournament will support the White Ribbon campaign by providing an opportunity for the players and fans to pledge their support to speak out against harm that results from family violence.

Police are also acutely aware that to achieve the goal of safer communities together, we need people from diverse backgrounds to join our organisation.

Finally, we would like to sincerely acknowledge all those who have made this tournament a success particularly the hosts, sponsors and supporters.

All the very best for the 2014 New Zealand Communities Football Cup.

Kia kaha, Kia maia, Kia manawanui.

Commissioner Mike Bush
Superintendent Wally Haumaha

Welcome from the Race Relations Commissioner

Welcome to this year's New Zealand Communities Football Cup

The tournament provides the perfect opportunity to celebrate our diversity by coming out to play as a community. It has effectively created a nation-wide, culturally diverse community football pitch. With over 1000 games played throughout the country over the past year between different ethnic communities, it reinforces the importance of sport bringing people together.

This is also a time to find out about each other, show respect towards each others' cultures and help build harmonious race relations in Aotearoa. The event continues to support the aims of the White Ribbon campaign by allowing all those involved to take an active stance against violence in the community by taking the White Ribbon pledge.

It's also important to remember to respect each other on and off the pitch and I'm glad to see many of those taking part are actively involved in the New Zealand Diversity Action Programme.

It's a privilege to be part of this event and to be working with the NZ Police alongside NZ Football. I hope real connections will continue to be made on and off the sports field. Congratulations to all the teams competing this weekend and to all of those who have participated throughout the year.

Welcome from FIFA U-20 World Cup New Zealand 2015

Message from FIFA U-20 World Cup NZ 2015

Congratulations to all teams playing at this weekend's World Communities Football Cup of which we are a proud sponsor. This tournament gives you the opportunity to showcase your football talent against fellow players from across the country and originally all over the globe.

Next year, New Zealand will showcase the flair and extraordinary abilities of the world's best young footballers when the FIFA U-20 World Cup kicks-off on May 30. This is the tournament where icons such as Messi, Rodriguez and Pogba first rose to fame.

Fifty-two matches featuring 24 teams across three action-packed weeks are heading our way in what will be the most spectacular football event New Zealand has ever seen.

Save 20 per cent on ticket prices when you buy a venue pack which includes all group and the Round of 16 knock-out matches at your local venue. Venue packs are the way to get your hands on quarter and semi-finals tickets ahead of public sale and your chance to be at the final.

Our main ambition for this tournament is to fill the stadiums with noise, colour and passion in celebration of FIFA's second largest male football event coming to our shores. We have ensured that price is not a barrier so all football fans across the country can say 'I was there' when the next global footballing superstars were discovered.

*This is a once-in-a-lifetime opportunity you won't want to miss.
Enjoy this weekend's tournament and best of luck for your matches.*

Message from the White Ribbon Campaign

It is a privilege to be able to once again be asked to make a contribution to this wonderful tournament.

This football event reflects everything that is so good about contemporary New Zealand life – increasing diversity – an emphasis on sport and instilling the values of friendly competition.

White Ribbon is very proud to be associated with this event. Our campaign is about asking men to accept the challenge of

reducing family violence in New Zealand and in also acknowledging that the enormous problem of family violence in New Zealand is caused, by men. There is a place for being assertive and physical, and to do so within well-defined rules. This tournament illustrates the point.

In the home and elsewhere, we have yet to learn what the proper boundaries of conduct are and it is events such as this that make us even more aware of the issues we face and of the need to change.

I wish you every success in this year's tournament.

Judge Peter Boshier
Chair White Ribbon Advisory Committee

Tournament History

The New Zealand Communities Football Cup (NZCFC) was established by New Zealand Police to contribute practically towards our vision of 'Safer Communities Together' and provide an opportunity for positive community interaction. It also connects football to positive social change by supporting the White Ribbon campaign where men from all communities pledge to never commit, condone or remain silent against violence against women.

NZCFC is a national tournament for the regional winners of community football events held over the past 12 months. This tournament is the culmination of more than 1,000 games of local-level football organised by city councils and ethnic community groups.

The inaugural NZCFC event was held in 2008 and hosted by Wellington city. It was won by the Upper Hutt based Somalian team. Since then, it has been won by Oman (Palmerston North), Poland (Christchurch), Somalia (Wellington) and Refugee Youth Action Network (Auckland)

In 2010 a youth forum was added to the tournament. The forum brings youth together to celebrate their love of football and give them the opportunity to learn new skills and address issues that are important to them.

The tournament's robust framework supports the official tournament branding, website, media campaign.

Police have a vision to see the tournament grow and expand. We would like to continue utilising football and sport in general to drive positive social outcomes within New Zealand and throughout the Pacific.

Football, and this tournament, creates an opportunity to bring cultural, social and economic interaction together in one place reflecting a growing multi-cultural Aotearoa.

The tournament provides our communities the opportunity to showcase their talent and cultures and the Tournament Committee would to thank all the players, coaches, families, supporters and volunteers for once again being the heart of this tournament.

Such events are not possible without a number of organisations coming together and providing the support necessary to deliver a wonderful celebration of community and football. Many thanks also to the staff of New Zealand Federation of Multicultural Councils, Sportzone, NZ Police, Wellington City Council and FIFA U20.

We hope you all enjoy your time here in Wellington, have a fantastic tournament, good luck and have fun.
