This application form is required for all requests for the hireage of New Zealand Police branded uniform or associated items that New Zealand Police own – anything with the Police Crest, Coat of Arms, design, or other distinguishing article used, worn, carried by any New Zealand Police employee while on duty, or any items representative of New Zealand Police.

This includes branded items such as the New Zealand Police hats, shirts, jackets, belts (and any other items that include the New Zealand Police Crest and/or Coat of Arms).

Requests for official New Zealand Police branded items will only be considered for non-fiction productions and all requests for the use of these **must** come to New Zealand Police for approval.

Requests for generic Police uniform items, such as police trousers or stab resistant body armour (outer only and without the New Zealand Police crest) can be made directly through approved uniform companies. NZ Police do not need to be involved for approval of requests for generic uniform items, unless the request involves the use of Police characters for commercial organisations or advertising campaigns. For such requests, an application to hire form must be submitted to brand@police.govt.nz.

Please visit www.police.govt.nz for New Zealand Police's Guidelines for the use of official New Zealand Police brand and uniform items.
